# Adhiyamaan-IIC Activities (2022-2023)

## Placement Day Celebration

### Objective of Programme:

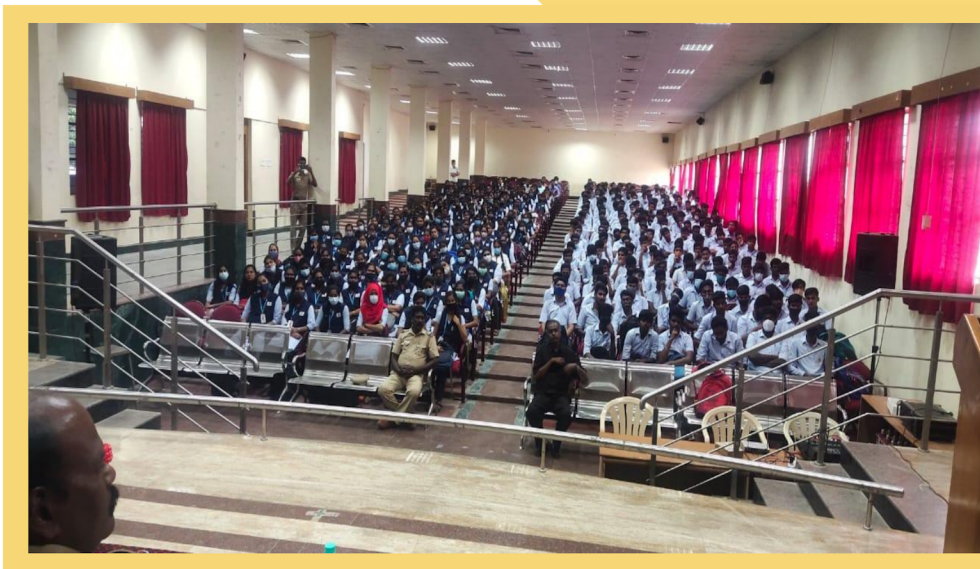

The purposes and objectives of placement day celebration, To attract and retain effective strength of the students in an organization. To utilize human resources(placement) optimally. To improve morale and motivation level of students.

Guest Speaker :Mr. Lavanam Ambala, National Head, Campus

Date of the Event :09th June 2022

Number of Participants :400 students

## First year Induction Program

### Objective of Programme:

The purposes and objectives of first year induction program, To attract and retain effective strength of the students in an organization. To improve morale and motivation level of students.

Guest Speaker : Dr. T. Lasya, Trustee, AERI Trust, Hosur.

Date of the Event :08th September 2022

Number of Participants : 400 students

## Engineer's day Celebrations

### Objective of Programme:

The purposes and objectives of Engineer's day celebration, To attract and retain effective strength of the students in an organization. To utilize human resources optimally. To improve morale and motivation level of students.

GUEST SPEAKER : Dr S V Suresh Babu, HOD /Mechanical  
Dept Adhiyamaan College of Engineering, Hosur.

Date of the Event :15 September2022

Number of Participants 250 students

## Seminar on overview of "Intellectual Property Rights"

### Objective of Programme:

The purposes and objectives of Intellectual Property Rights, To emphasis the purpose of IPR and patent filing.

GUEST SPEAKER : Dr. M. Kandababu  
Director (CIPR), AnnaUniversity, Chennai

Date of the Event : 20th September 2022

Number of  
Participants : 100 Students

IIC Conducted Essay Competition for the students and awarded prizes in the view of National Science Day Celebrated on Sir CV Raman's Birthday.

IIC along with Computer science Engineering Department conducted Various technical events on behalf of World Students Day on 15th October 2022

On the eve of inauguration of BNI AADHI Chapter, a one day international level Management Development Programme on " Corporate Etiquettes " was organized on 19th October in Wipro Lab, Adhiyamaan College of Engineering, Hosur.

This Collaboration focuses on building industrial exposure and tie ups with different sectors that can help the students to exhibit their entrepreneurial thoughts and various skills like Managerial, Technical & Soft Skills that can enhance the Career of the students. It also provides the right environment, training, and support to build trusted relationships that help grow business. Weekly local chapter meetings follow a structured agenda that is proven to maximize referrals for the students to improve their industrial exposure. This union helps in developing corporate skills and clarifies the requirements for becoming successful entrepreneur.

The Event was conducted by BNI Krishnagiri President, ED and Committee members in which the achievements, importance and works of BNI Chapter were elaborated.

**IIC Keynote Speaker :** Dr.G.Ranganath, Principal, ACE, Hosur

**IIC Vice President :** Dr.Arivudainambi, Professor & Head,

**IIC Department Coordinator :** Dr.M.A.Suresh Kumar, Associate Professor, MBA, ACE, Hosur.

**Head of the Department :** Dr.B.N.Sivakumar, Prof & Head, MBA, ACE, Hosur

On the eve of inauguration of BNI IYANTHIRA Chapter, a one day international level Entrepreneurship Development Program on "Igniting Young Entrepreneurial Minds" was organized on 21th October in Wipro Lab, Adhiyamaan College of Engineering, Hosur.

This business meet helps to enlarge the businesspeople network that can assist the students to manifest their entrepreneurial thoughts and various skills like Managerial, Technical, Marketing and presentation skill that can strengthen the students.

BNI is more than just helping to grow the business – it is helping you build the network between the students and corporate world to get good career opportunities in their future. This positive and supportive group of people will help to go through any crisis because we cannot do this alone.”

### Objective of Programme:

The purposes and objectives of students to study higher studies in abroad. To attract and retain the residential program in Malaysia.

GUEST SPEAKER	: Prof. Rajesh & Dr. Sharmila Anand, AIMST University, Malayasia
Date of the Event	: 04th January2023.
Number of Participants	: 100 students

## One week training on AUTOCAD

### Objective of Programme:

The purposes and objectives of One week training on AUTOCAD To improve the quality and computer skills for Mechanical engineering students in the area of CAD/ CAM

GUEST SPEAKER : CADD Centre, Hosur  
Date of the Event : 05 January 2023 to 13 January 2023  
Number of Participants : 50 students

## SHASTR 2K23

### A Two day National Level Technical Symposium

#### Objective of Programme:

The purposes and objectives of SHASTR 2K23 A Two day National Level Technical Symposium, To attract and retain effective strength of the students in an organization. To motivate students to attend conferences, paper presentation and poster presentation.

#### Description of Programme:

Mr. M. A. Raju, General Manager, TVS Motor Company, Hosur. He is resource person for this program. He has provided more information about the current trends in industries. He has highlighted the importance of technical skills and how to develop problem-solving skills. He

IIC along with Computer science Engineering Department conducted  
Technical Project Expo on 24 and 25 January 2023

# CAREER OPPORTUNITIES IN MECHANICAL ENGINEERING

## Description of Programme:

The Mechanical department recently hosted a training session on February 2023, led by Mr. Anbalagan from Think Square Technologies Pvt Ltd, Bengaluru. This comprehensive training covered topics related to training, development, and project consulting.

**Guest Speaker** : Mr. Anbalagan, Think square Technologies Pvt Ltd, Bengaluru  
**Date of the Event** : 20.02.2023  
**Number of participants** : 170 students

## Technical Session on “National Green Hydrogen Mission” – 2K23

## Objectives of Programme:

There are three main goals and practices that activities under green IT are focused on to lower the environmental impact of IT, in a green economy, growth in employment and income are driven by public and private investment into such economic activities, infrastructure and assets that allow reduced carbon emissions and pollution, enhanced energy and resource efficiency, and prevention of the loss of biodiversity and ecosystem services.

## Two day workshop on “E- Vehicle” & Hands on training”

### Objective of Programme:

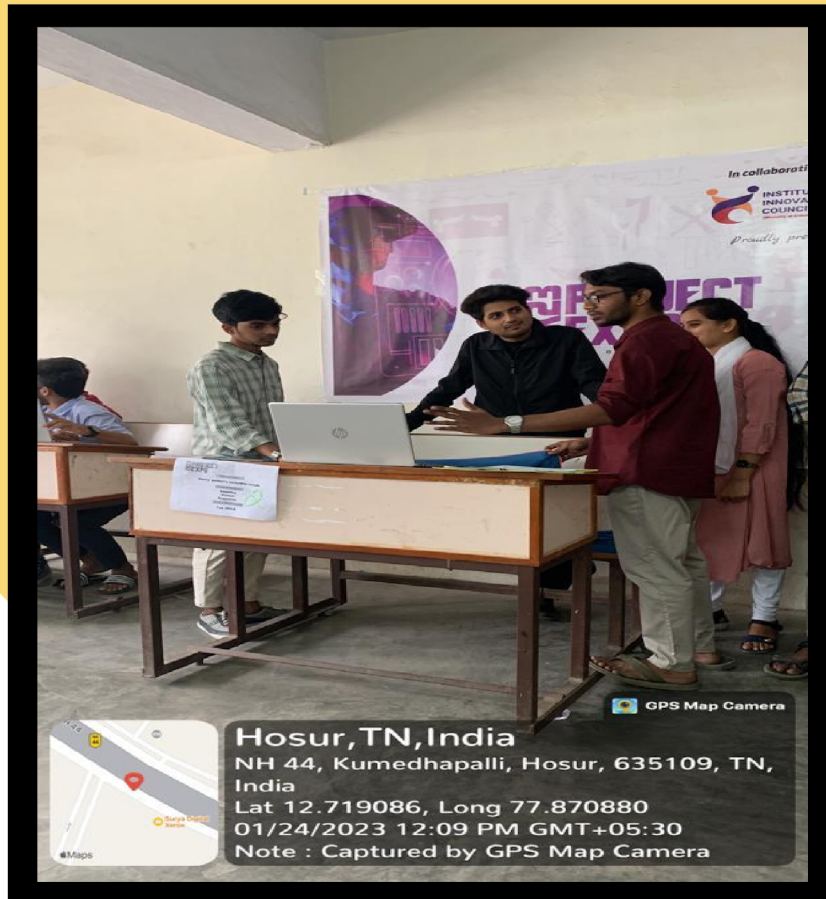

The main objective is to improve the individual's level of awareness. Increase an individual's skill in one or more areas of expertise. Increase an individual's motivation to perform their job well.

**GUEST SPEAKER** : Mr. K. S. Ramanujan Leep edrive Private Limited,  
CEO & Managing Director,  
Hosur.

**Date of the Event** : 27th & 28th February 2023

**Number of** :50

**Participants**

Project Expo Student Demonstrating Their Project

### **FORGE INNOVATION LABS & IIC, ACE**

A SIPCOT powered Innovation Ecosystem to catalyze industrial transformation in the digital age, combining manufacturing excellence with technology leadership, entrepreneurial innovation, and future-ready talent.

Established by SIPCOT under the aegis of Industries Department of Tamil Nadu in partnership with Forge (Strategic Partner Incubator).

IIC and Forge Forge Innovation center Hosur jointly organized a technical visit for the students to enhance their technical skills in innovation challenges.

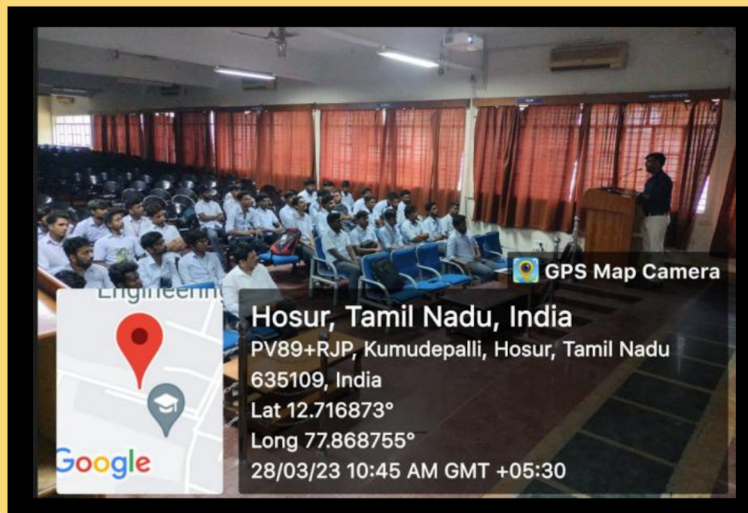

Forge Labs brings together comprehensively technology infrastructure, technical expertise, and product innovation resources to accelerate the realisation of deep/digital tech solutions for industrial applications.

# GLIMPSES OF IIC AND FORGE INNOVATION LAB VISIT BY ACE STUDENTS

## CAREER OPPORTUNITIES IN MECHANICAL ENGINEERING

### Objective of Programme:

The main objectives of engineers revolve around creating processes and designs, as well as maintenance and operations duties in a variety of different disciplines. Seeking a job as a mechanical engineering where I can use my extensive experience to help the organization achieve its goal of excellence in the mechanical engineering industry" "Engineer focused on quality who seeks to provide skills in systems evaluation to a mechanical engineering role."

GuestSpeaker :Mr. A Prashant Kumar, Assistant Manager-Training, Nettur Training Foundation (NTTF), Bengaluru  
Date of the Event :28.03.2023  
Number of  
Participants :150 Students(Second and Third Year students attended)
