About the Institution:

Adhiyamaan College of Engineering (ACE) is one of the educational institutions developed by Adhiyamaan Educational & Research Institution - a trust, which was started in the year 1986 to cater the needs of the nation in the development of technocrats and to provide facilities for educating and training men and women to meet the entrepreneurial and management needs. The management has created adequate infrastructural facilities and sufficient funds to improve the institute facilities and is keen on developing the institution for higher education and research.

IQAC@ACE:

ACE IQAC is meant for planning, guiding and monitoring Quality Assurance and Quality Enhancement activities of the Institution. ACE IQAC may channelize and systematize the effect and measures of an institution towards academic excellence. The IQAC will act as a driving force for ushering in quality by working out intervention strategies to remove deficiencies and enhance quality. Since quality enhancement is a continuous process, the IQAC will become a part of institution's system and work towards the quality enhancement.

Objectives:

The main objectives of the workshop on IAAA is as follows.

- > To set the different parameters for the academic audit
- > To assess the quality of Teaching Learning Methodologies
- > To promote the faculty involvement in R&D and Consultancy.
- > To improve TLP by collecting effective Student Satisfaction Survey
- > To develop the institutional quality enhancement.

Summary:

Inauguration:

The Internal Quality Assurance Cell of Adhiyamaan College of Engineering (Autonomous) successfully organized the NAAC sponsored two-day online Workshop on Integration of "Role of Internal Academic and Administrative Audit (IAAA) in Higher Education Institute (HEI)".

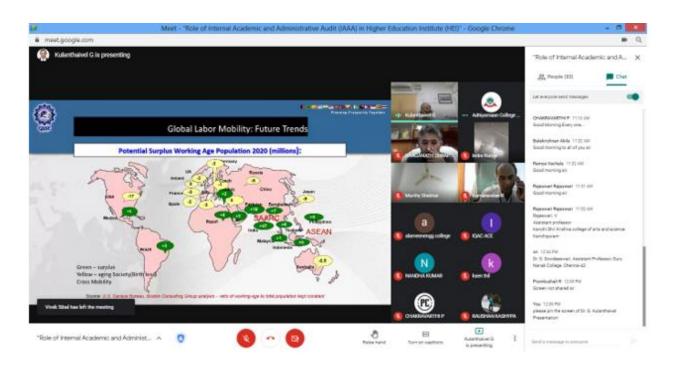

Dr. G. Ranganath, Principal of the college explained the background of the workshop in his welcome address. The Workshop was inaugurated by **Dr. S. C. Sharma, Director NAAC.**

In his address, he emphasized

- 1. To understand the existing system and assess the strengths and weaknesses of the Departments and Administrative Units.
- 2. To identify the bottlenecks in the existing administrative mechanisms.
- 3. To evaluate the optimum utilization of financial and other resources.
- 4. To suggest the methods for continuous improvement of quality keeping in mind criteria and reports by NAAC and other bodies

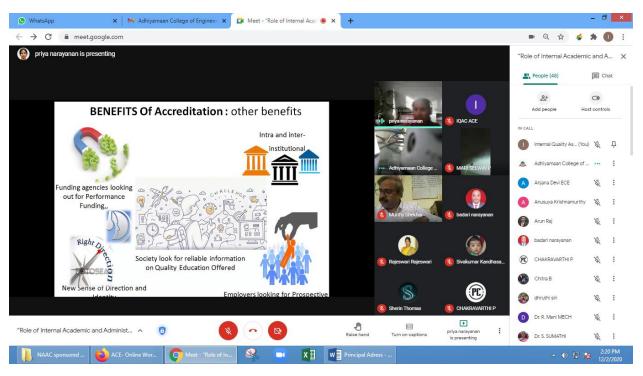

Session I:

In Chair: Dr. G. Kulanthaivel-Professor & Head-Department of Electrical, Electronics & Communication Engineering NITTTR, Chennai.

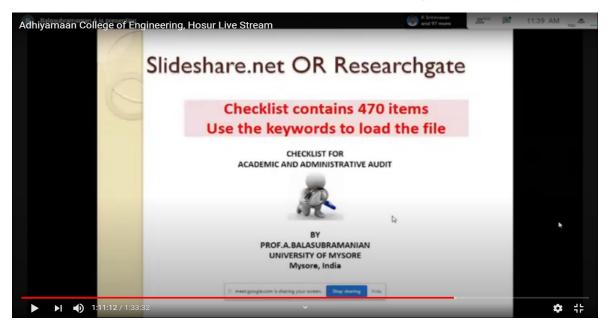

Session II:

In Chair: Dr. Priya Narayanan Assistant Adviser NAAC, Bangalore.

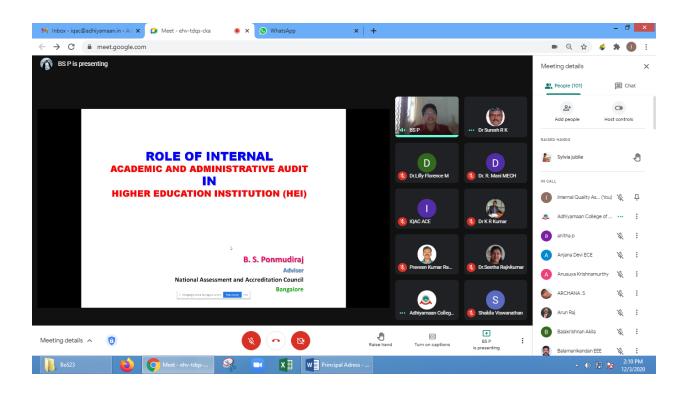

Session III:

In Chair: Dr. A. Balasubramanain Professor of Geology, University of Mysore.

Session IV & Valedictory:

In Chair: Dr. B.S. Ponmudiraj Deputy Adviser, NAAC, Bangalore

Vote of Thanks:

Dr. N. S. Badarinarayanan-(Dean-Autonomous) & IQAC-Coordinator

Outcome of this Workshop:

The participants found the seminar very informative and gave feedback that the topics were very relevant and informative so that they can adopt these best practices and prepare well for the NAAC accreditation.
