REPORT

A Workshop on

“EXAMINATION AND EVALUATION REFORMS” on 21.02.2020.

Time: 10:30 AM

A Workshop on “EXAMINATION AND EVALUATION REFORMS” was organized by the Internal Quality Assurance Cell headed by chairman Dr. G Ranganath, Principal, Adhiyamaan college of Engineering, Hosur, Tamil Nadu, Coordinated by Dr N.S. Badrinarayanan Dean - Autonomous, Adhiyamaan College of Engineering, Hosur, Tamil Nadu.

The resource person of this Workshop was Prof. Krishnamohana Reddy, Controller of Examination Adhiyamaan college of Engineering, Hosur, Tamil Nadu.

On his inaugural speech Dr, G Ranganath, Principal, Adhiyamaan college of Engineering, Hosur, Tamil Nadu, he said that the main aim of education should be overall development of the students. The invited Resource person Prof. Krishnamohana Reddy, Controller of Examination Adhiyamaan college of Engineering, Hosur, Tamil Nadu on his talk he focused on Conscious efforts to map the curriculum and assessment to these levels which can help the programs to aim for higher-level abilities which go beyond remembering or understanding. Considering the fact that, as nature of every course is different, the weightage for different cognitive levels in the question papers can also vary from course to course.

The workshop was beneficial to all our teaching staff and the faculties understood the Examination systems which is in practice in the institution

The workshop ends with the Valedictory function and concluded with Vote of Thanks by Dr N.S. Badrinarayanan Dean - Autonomous, Adhiyamaan College of Engineering, Hosur, Tamil Nadu.

Conclusion:

In conclusion, the workshop on AICTE Examination and Evaluation Reforms was an informative and interactive event that enabled educators to learn and experience the new examination and evaluation methods. The workshop emphasized the need for reform in the traditional examination system and introduced several reforms that have been implemented in recent years to improve the quality of technical education. The workshop also highlighted the benefits and challenges of these reforms and provided practical sessions that enabled the participants to experience the new examination and evaluation methods first-hand. The workshop was a valuable learning experience for the participants and will contribute to the improvement of technical education in India.
