A Webinar on Entrepreneurs and Technopreneurs

On February 24th, 2022, a webinar on Entrepreneurs and Technopreneurs was conducted by IQAC. The webinar aimed to provide insights into the world of entrepreneurship and technopreneurship and to inspire the participants to pursue innovative business ideas.

The webinar was conducted on a virtual platform and was attended by more than 200 UG/PG students from various departments. The keynote speaker for the webinar was **Mr. Arun David**, an accomplished entrepreneur and technopreneur who has founded several successful startups.

In his keynote address, Mr. David shared his personal experiences and challenges as an entrepreneur and emphasized the importance of innovation and creativity in the business world. He also spoke about the need for entrepreneurs to embrace technology and leverage it to create new products and services.

During the discussion, the panelists shared their perspectives on the challenges and opportunities in the field of entrepreneurship and highlighted the need for a collaborative approach between academia and industry. They also discussed the various government policies and programs that are aimed at promoting entrepreneurship and innovation.

The webinar concluded with a Q&A session where the participants had the opportunity to ask their queries to the speakers. The participants appreciated the insights shared by the speakers and the organizers for conducting such an informative session.

Overall, the webinar on Entrepreneurs and Technopreneurs provided a platform for participants to learn from the experiences of successful entrepreneurs and technopreneurs and to gain insights into the world of business and innovation.
