Greetings. The University Grants Commission (UGC) has initiated several measures to bring equity, efficiency and excellence in the Higher Education System of our country. One of the important measures taken to enhance academic standards and quality in higher education is introduction of Choice Based Credit System (CBCS). In the reference cited above, UGC has insisted all institutions to adopt CBCS from the academic year 2015-16. UGC and AICTE have already developed a broad template and guidelines to facilitate the implementation of CBCS. Initiatives have been taken to introduce CBCS in the University Departments of Anna University from the forthcoming academic year. In this regard, I wish to inform you that CBCS is to be implemented in all Autonomous institutions from the academic year 2015-16. UGC and AICTE websites may please be referred to for adoption of CBCS at your institute. Expecting your kind cooperation for the implementation of CBCS at your institute from the academic year 2015-16.

Thanking You,

Yours faithfully,
