## REPORT ON THE STUDENT ATTRIBUTES FACILITATED BY THE INSTITUTION.

The vision of the college is to mould the younger generation into a professionally competent and socially responsible citizen. The college believes in imparting holistic education that transforms students in all around skills. To promote the holistic development of the students the curricular, co-curricular and extracurricular activities are provided.

Institute facilitates common attributes among overall students through various learning tactics. For a faster all round personality development of students, there is a need of striking a balance between syllabus curriculum, books and co-curricular activities. Co- Curricular activities give the students an opportunity to build up particular skills and reveal their non-academic abilities.

Our campus is known for transforming and empowering students who come from diverse backgrounds. It nurtures the potential of the students by empowering them to carve their unique paths. It facilitates self-growth and actualization of potential of the students through innumerable ways of empowerment and competence building.

Students are facilitated into becoming strong independent women with a deep sense of national loyalty and commitment to nation.
