Institution celebrates /organizes National and international commemorative days, events, and festivals:

Adhiyamaan College of Engineering is committed to promoting ethics and values to budding engineers and faculty members to encourage the same, the institute has an established practice of organizing, observing and celebrating various important National and International commemorative days, festivals, and anniversaries of great India in its own peculiar pattern through various professional bodies and societies which include

Lists of Events

1. World Environmental Day (5th June)
2. Independence Day (15th August)
3. Aviation Day (19th August)
4. Teachers' Day (5th September)
5. Engineers' Day (15th September)
6. Parakram Divas: Netaji Subhash Chandra Bose's Birthday (23rd January)
7. National Voter's Day (25th January)
8. Republic Day (26th January)
9. Science Day (28th February)
10. World Engineering Day (4th March)
11. International Women's Day (8th March)
12. National Vaccine Day (16th March)
13. World Water Day (22nd March)
14. World Telecommunication Day (17th May)

The celebrations are based on the instruction given by highlighting the themes of the events declared by various professional organizations such as UNESCO, IEI, IETE, ISTE, SAMP, Science Fora, and the Government. Also, the Institute organizes various competitions, Memorial Lectures, Paper Presentations, Award Distributions, etc. Also, the institute pays homage and Floral tributes to the Portrait of the leaders who sacrificed their lives for the country.

The student community has a mission to better India by breaking the boundaries of religion and caste. Thoughts of great Indian personalities sowed into the young minds through the exhibitions and programs conducted on these days. Every year the Institute organizes national festivals and birth and remembrance anniversaries of great Indian personalities. Faculty members and budding technocrats get to know the importance of national integrity in the Country in general and their role in it in particular. Apart from the above specific days and events, a large number of other events are celebrated either as per the directions of AICTE/MHRD/ UGC, or as per the conventions of the University. It is a rich tradition leading to the cultivation of knowing, and learning good habits among budding engineers and faculty members.

World Environmental Day - 2017

World Environmental Day (WED) is celebrated annually on the 5th, of June and is the United Nation's principal vehicle for encouraging awareness and action for the protection of the environment. First held in 1973, it has been a platform for raising awareness on environmental issues such as marine pollution, over population, global warming, sustainable development, and wild life crime. World Environmental Day is a global platform for public outreach, with participation from over 143 countries annually. Each year, the program has provided a theme and forum for businesses, nongovernment organizations, communities, governments, and celebrities to advocate environmental causes.

At Adhiyamaan College of Engineering, the Department of Biotechnology was involved in organizing the WORLD ENVIRONMENTAL DAY on 5th June 2017 on the premises. Dr. M K Agrawal Professor, National Institute of Technology Jamshedpur delivered a lecture on “Youth: Population and the Environment”. Dr. V Maivasagan Coordinator proposed the vote of thanks. Around 1100 Students have taken part in the program.

Independence Day 2017

The Independence Day of India, which is celebrated religiously throughout the country on the 15th of August every year, holds tremendous ground in the list of national days, since it reminds every Indian about the dawn of a new beginning, the beginning of an era of deliverance from the clutches of British colonialism of more than 200 years. It was on 15th August 1947 that India was declared independent from British colonialism, and the reins of control were handed over to the leaders of the Country. India's gaining of independence was a tryst with destiny, as the struggle for freedom was a long and tire someone, witnessing the sacrifices of many freedom fighters, who laid down their lives on the line.

To show integrity and patriot's the Adhiyamaan College of Engineering is celebrating Independence Day. On 15th August 2017. Dr. G. Ranganath, Principal of Adhiyamaan College of Engineering hoisted the Indian Flag on Independence Day followed by the National Anthem. He also addressed the gathering about the history and importance of the day. He also presented the winners of various competitions held for different activities with medals and certificates.

Aviation Day 2017

National Aviation Day (August 19) is a United States national observation that celebrates the development of aviation. The holiday was established in 1939 by Franklin Delano Roosevelt, who issued a presidential proclamation that designated the anniversary of Orville Wright's birthday to be National Aviation Day (Mr. Wright, born in 1871, was still alive when the proclamation was first issued and would live another nine years). The proclamation was codified, and it allows the sitting US President to proclaim August 19 as National Aviation Day each year, if desired. Their proclamation may direct all federal buildings and installations to fly the US flag on that day and may encourage citizens to observe the day with activities that promote interest in aviation. The Department of Aeronautical Engineering of Adhiyamaan College of Engineering is celebrating every year. This year AVIATION DAY 19th August 2017 in the premises. The department is established an “AVIATION CLUB” to provide more knowledge in the field of Aeronautical and Aerospace Engineering. Prof. R. Elongovan Former ISRO Scientist graced the occasion in the capacity of Chief Guest. On the eve of the celebration “DRONE TRAINING” was given to the students.

Teachers' Day 2017

There is no doubt that being a teacher is a noble profession that deserves an equal amount of love and respect as any other profession. Teachers' Day 2017 in India is celebrated every year on September 5 to mark the birth anniversary of Dr. Sarvepalli Radha Krishna. He was a former President of India, scholar, philosopher, and Bharat Ratna recipient. On Teachers' Day 2017, students all over the country pay respect and tribute to their teachers. In some schools, special programs are also organized to celebrate Teachers' Day on September 5th. Teachers' Day 2017 is a reminder of the role that teachers play in nation-building by guiding and educating the brightest minds of our country.

The entire Premises Faculty Members and students actively celebrated Teachers Day on 5th September 2017 by greeting each other. Students showed their respect to the faculty members and many activities and technical quizzes were organized.

ParakramDivas: Netaji Subhas Chandra Bose Birthday 2018

The Indian Government has decided to celebrate January 23rd as 'Parakram Diwas' to commemorate the birth anniversary of Netaji Subhas Chandra Bose. The year 2018 is the 121st birth anniversary of Netaji Subhas Chandra Bose. Netaji was born on January 23, 1897. The day is celebrated to honor and remember Netaji's indomitable spirit and selfless service to the nation. Our Principal Dr.G.Ranganath has shared details about Netaji Subhas Chandra Bose. Dr. G. Ranganath addressed in his keynote address after the floral tributes to the great leader, highlighted About Netaji Subhas Chandra Bose: Netaji was born on January 23, 1897, in Cuttack Odisha.

Netaji joined the Indian National Congress in 1921 and Netaji started a newspaper called "Swaraj". With the slogan "Give me blood and I will give you freedom", he awakened the country towards fighting for Indian Independence. He had written a book called "The Indian Struggle". The book covers the Indian Independence movement between 1920 and 1942. Netaji built a force known as the Azad Hind Fauj (Indian National Army) giving the slogan of "Dilli Chalo". Thousands of soldiers of his 60,000-strong army sacrificed their lives for the country. The Indian National Army supported the Japanese army in their invasion of Northeast India. They to get her took control of the Andaman and Nicobar Islands. Netaji in the Indian independence struggle: Netaji was poisoned in 1925 for his Nationalist activities and was later released in 1927. After his release, he became the General Secretary of the Indian National Congress.

Science Day Celebration 2018

On the occasion of National Science Day, we at Adhiyamaan College of Engineering, Hosur conducted Science day celebrations in our college as Science week from 22nd to 28th February 2018. We have conducted week-long activities which included competitions like Essay writing, elocution, quiz, spot painting, PowerPoint presentation, and science projects exhibition for all department students. Special talks were arranged. Nearly 100 Students from various departments are actively in the events with great enthusiasm. Science day celebrations started with the inaugural session on 22nd Feb 2018 with the lighting of the lamp and paying homage to Sir C. V. Raman. 250 students and faculties from various departments attended the gathering. The Institute Principal Dr. G. Ranganath presided over the session and gave a brief introduction about the significance of celebrating National Science Day on 28th February and the importance of 'women in science as this year's focal theme. He also explained the research opportunities for women in science.

International Women's Day 2018

International Women's Day (IWD) is a global day celebrated annually on March 8 to commemorate the cultural, political, and socioeconomic achievements of women. It is also a focal point in the women's, bringing attention to issues such as gender equality, rights, and violence and abuse against women.

International Women's Day is commemorated in a variety of ways worldwide; it is a public day in major several countries and is observed socially or locally in others to celebrate and promote the achievements of women. The UN observes the in connection with a particular issue, campaign, or theme in women's rights. In some parts of the world, IWD still reflects its political origins, being marked by protests and calls for radical change; in other areas, particularly in the West, it is largely socio-cultural and centered on a celebration of womanhood. At Adhiyamaan College of Engineering, a separate Women Empowerment Cell is established and organizes a “Women's Day Celebration “on March 8th Every Year. The Women Empowerment Cell of Adhiyamaan College of Engineering celebrated International Women's Day 2018 on 8th March 2018 on the premises. Many events including technical paper presentations, Technical quizzes, and various fun games were organized. Dr.G.Ranganath Principal presided over the event. Dr.Prameela Kaladharan welcomed the gathering .Mrs. M. R Jayalaxmi Dy. General Manager, WRI BHEL Tiruchirapalli graced the occasion and advised the Students of follow ethics and maintain family values.

Technical Paper Presentation was organized related to the Women's issues faced in the Work place. Dr. T. Menakadevi WEC proposed the vote of thanks. Around 300 students and 50 Women FacultyMembershavetakenpartintheevent

World Telecommunication Day 2018

World Telecommunication Day has been celebrated annually on 17 May since 1969, marking the founding of ITU and the signing of the first International Telegraph Convention in 1865. The Institution of Electronics telecommunication engineering (IETE) Students forum of Adhiyamaan College of Engineering Celebrated World Telecommunication day on 17th May 2018. Various events related to the topic of telecommunication were conducted for the students of every field to help them enhance their knowledge and to boost their skills in various fields.

In November 2005, the World Summit on the Information Society called upon the UN General Assembly to declare 17th May as World Information Society Day and World Telecommunication Day to focus on the importance of Information and Communication Technology (ICT) and the wide range of issues related to the Information Society raised by World Summit on the Information Society (WSIS). The General Assembly adopted a resolution (A/RES/60/252) in March 2006 stipulating that World Information Society Day shall be celebrated every year on 17th May. The Institution of Electronics and Telecommunication Engineers (IETE) Forum of Adhiyamaan College of Engineering has celebrated the theme of “Bridge the Standardization Gap”.
