## Independence Day 2019

The Independence Day of India, which is celebrated religiously throughout the country on the 15th of August every year, holds tremendous ground in the list of national days, since it reminds every Indian about the dawn of a new beginning, the beginning of an era of deliverance from the clutches of British colonialism of more than 200 years. It was on 15th August 1947 that India was declared independent from British colonialism, and the reins of control were handed over to the leaders of the Country. India's gaining of independence was a tryst with destiny, as the struggle for freedom was long and tiresome, witnessing the sacrifices of many freedom-fighters, who laid down their lives on the line.

To show integrity and patriotism the Adhiyamaan College of Engineering is celebrating Independence Day. On 15th August 2019. Dr. G. Ranganath, Principal of Adhiyamaan College of Engineering hoisted the Indian Flag on Independence Day followed by the National Anthem. He also addressed the gathering about the history and importance of the day. He also presented the winners of various competitions held for different activities with medals and certificates.

## Aviation Day 2019

National Aviation Day (August 19) is a United States national observation that celebrates the development of aviation. The holiday was established in 1939 by Franklin Delano Roosevelt, who issued a presidential proclamation that designated the anniversary of Orville Wright's birthday to be National Aviation Day (Mr. Wright, born in 1871, was still alive when the proclamation was first issued and would live another nine years). The proclamation was codified, and it allows the sitting US President to proclaim August 19 as National Aviation Day each year, if desired. Their proclamation may direct all federal buildings and installations to fly the US flag on that day and may encourage citizens to observe the day with activities that promote interest in aviation. The Department of Aeronautical Engineering of Adhiyamaan College of Engineering is celebrated every year. This year AVIATION DAY 19<sup>TH</sup> August 2019 in the premises. The department established an “AVIATION CLUB” to provide more knowledge in the field of Aeronautical and Aerospace Engineering. Dr. A Ashok Kumar DGM -Engine Division Hindustan Aeronautics Ltd Bangalore graced the occasion in the capacity of Chief Guest. On the eve of the celebration a hands-on training on Drone Development workshop” was organized for the students.

## International Women's Day 2020

International Women's Day (IWD) is a global day celebrated annually on March 8 to commemorate the cultural, political, and socio economic achievements of women. It is also a focal point in the women's rights movement, bringing attention to issues such as gender equality, reproductive rights, and violence and abuse against women. International Women's Day is commemorated in a variety of ways worldwide; it is a public day in major several countries and is observed socially or locally in others to celebrate and promote the achievements of women. The UN observes the in connection with a particular issue, campaign, or theme in women's rights. In some parts of the world, IWD still reflects its political origins, being marked by protests and calls for radical change; in other areas, particularly in the West, it is largely socio-cultural and centered on a celebration of womanhood. At Adhiyamaan College of Engineering, a separate Women Empowerment Cell is established and organizes a “Women's Day Celebration” on March 8<sup>th</sup> Every Year. The Women Empowerment Cell of Adhiyamaan College of Engineering celebrated International Women's Day 2020 on 8th March 2020 on the premises. Many events including technical paper presentations, Technical quizzes, and various fun games were organized. Dr .G. Ranganath Principal presided over the event. Dr. Prameela Kaladharan welcomed the gathering. Mrs. Sangeetha Alumni and Welfare Officer, Government of Tamil Nadu Ariyalur graced the occasion and advised the Students to join in Government service to do the service for the Poor. Many events were organized related to Women's issues. Dr. T Menakadevi WEC proposed the vote of thanks. Around 300 students and 50 Women Faculty Members have taken part in the event.
