(Autonomous)

Affiliated to Anna University– Chennai & Approved by AICTE–New Delhi.
Accredited by NAAC & NBA-UGC, New Delhi

Institution celebrates /organizes National and international commemorative days, events, and festivals:

Adhiyamaan College of Engineering, for each and every events the national anthem was sung as a sense of patriotism . Every year, students present cultural performances, including dance. Every year, former members of the armed forces or the police are asked to share their experiences with young people in order to motivate them to help build the country. Faculty, employees, and students were participated in the following events:

List of Events

1. Independence Day (15th August)
2. Engineers' Day (15th September)
3. Parakram Divas: Netaji Subhash Chandra Bose's Birthday (23rd January)
4. Republic Day (26th January)
5. World Engineering Day (4th March)
6. International Women's Day (8th March)
7. World Water Day (22nd March)

The Institution also commemorates the birth / death anniversaries of great Indian personalities like Dr.A.P.J Abdul Kalam The students share the teachings of these eminent personalities through speeches and posters. On Teachers day too, the students' council puts up a show to express their love and gratitude for their teachers and salute the great Teacher Dr.Sarvepalli Radhekrishnan. The institution practices a pluralist approach towards all religions, and functions and encourages the students and faculty to showcase the same. Every year the Institute organizes national festivals and birth and remembrance anniversaries of great Indian personalities. Faculty members and budding technocrats get to know the importance of national integrity in the country in general and their role in it in particular. Apart from the above specific days and events, a large number of other events are celebrated either as per the directions of AICTE/MHRD/ UGC, or as per the conventions of the University. It is a rich tradition leading to the cultivation of knowing, and learning good habits among budding engineers and faculty members.

INDEPENDENCE DAY 2020

The Independence Day of India, which is celebrated religiously throughout the country on the 15th of August every year, holds tremendous ground in the list of national days, since it reminds every Indian about the dawn of a new beginning, the beginning of an era of deliverance from the clutches of British colonialism of more than 200 years. It was on 15th August 1947 that India was declared independent from British colonialism, and the reins of control were handed over to the leaders of the Country. India's gaining of independence was a tryst with destiny, as the struggle for freedom was a long and tiresome one, witnessing the sacrifices of many freedom-fighters, who laid down their lives on the line. To show integrity and patriotism the Adhiyamaan College of Engineering is celebrating Independence Day. On 15th August 2020. Dr. G. Ranganath, Principal of Adhiyamaan College of Engineering hoisted the Indian Flag on Independence Day followed by the National Anthem. He also addressed the gathering about the history and importance of the day. He also presented the winners of various competitions held for different activities with medals and certificates

INTERNATIONAL WOMEN'S DAY 2021

International Women's Day (IWD) is a global day celebrated annually on March 8 to commemorate the cultural, political, and socio economic achievements of women. It is also a focal point in the women's rights movement, bringing attention to issues such as gender equality, reproductive rights, and violence and abuse against women. International Women's Day is commemorated in a variety of ways worldwide; it is a public day in major several countries and is observed socially or locally in others to celebrate and promote the achievements of women. The UN observes the in connection with a particular issue, campaign, or theme in women's rights. In some parts of the world, IWD still reflects its political origins, being marked by protests and calls for radical change; in other areas, particularly in the West, it is largely socio-cultural and centered on a celebration of womanhood. At Adhiyamaan College of Engineering, a separate Women Empowerment Cell is established and organizes a “Women's Day Celebration” on March 8th Every Year. The Women Empowerment Cell of Adhiyamaan College of Engineering celebrated International Women's Day 2021 on 8th March 2021 on the premises. Many events including technical paper presentations, Technical quizzes, and various fun games were organized. Dr. G. Ranganath Principal presided over the event. Dr. Prameela Kaladharan Welcomed the gathering. Mrs. Porselvi V Principal Ashok Leyland School Hosur graced the occasion and advised the Students to concentrate more on Studies and join suitable jobs for a better future. Technical Paper Presentation was organized related to the Women's issues faced in the Workplace. Dr. T Menakadevi WEC proposed the vote of thanks. Around 300 students and 50 Women Faculty Members have taken part in the event

World Water Day 2021

On 22nd March, 2021, World Water Day will be celebrated in an online event. The World Water Day celebrates water and raises awareness of the global water crisis, and a core focus of the observance is to support the achievement of Sustainable Development Goal (SDG) 6: water and sanitation for all by 2030. The theme of World Water Day 2021 is valuing water. The value of water is about much more than its price – water has enormous and complex value for our households, food, culture, health, education, economics and the integrity of our natural environment. If we overlook any of these values, we risk mismanaging this finite, irreplaceable resource. SDG 6 is to ensure water and sanitation for all. Without a comprehensive understanding of water's true, multidimensional value, we will be unable to safeguard this critical resource for the benefit of everyone. Er. P Venkatramani, a civil Turnkey Project Consultant delivered the Theme talk on “Valuing Water” during the Water day Celebration on 22nd March 2021 at Adhiyamaan College of Engineering Hosur. Dr. J Arivudainambi Proposed the vote of thanks. Around 150 students have actively participated in the event.
