Institution celebrates /organizes National and international commemorative days, events, and festivals:

Adhiyamaan College of Engineering is committed to promoting ethics and values among the students and faculties. Institute have constantly encouraged to conduct various technical and non-technical activities such as National commemorative days, festivals, through lectures and posters, the students disseminate the lessons of these illustrious individuals. The students' council performs on Teachers Day in order to honour the outstanding teacher Dr. Sarvepalli Radhekrishnan and to demonstrate their appreciation for their instructors. the list as follows:

List of Events

1. World Environmental Day (5th June)
2. Independence Day (15th August)
3. Aviation Day (19th August) Teachers' Day (5th September)
4. Teachers' Day (5th September)
5. Engineers' Day (15th September)
6. Energy conservation day (14th Dec 2021)
7. Energy conservation day (14th Dec 2021)
8. Parakram Divas: Netaji Subhash chandra bose's Birthday (23rd January)
9. National Voter's Day (25th January)
10. Republic Day (26th January) Science Day (28th February)
11. Science Day (28th February)
12. International Women's Day (8th March)
13. National Vaccine Day (16th March)
14. World Telecommunication Day (17th May)

The celebrations are based on the government and non-governmental professional bodies. The Institute organizes inter and intra departmental competitions, Paper Presentations, post presentations, Award Distributions, etc. Institute pays homage and Floral tributes to the Portrait of the leaders who sacrificed their lives for the country. Women's Day is observed on March 8, International Women's Day, to honour women for their accomplishments and all of the efforts they make to manage their personal and professional lives. The institute campus observes a two-minute silence on July 26th, which is designated as Kargil Vijay Diwas, to remember the Kargil War martyrs.

World Environmental Day 2021

World Environmental Day (WED) is celebrated annually on the 5th, of June and is the United Nation's principal vehicle for encouraging awareness and action for the protection of the environment. First held in 1973, it has been a platform for raising awareness on environmental issues such as marine pollution, overpopulation, global warming, sustainable development, and wildlife crime. World Environmental Day is a global platform for public outreach, with participation from over 143 countries annually. Each year, the program has provided a theme and forum for businesses, nongovernment organizations, communities, governments, and celebrities to advocate environmental causes.

At Adhiyamaan College of Engineering, the Department of Biotechnology was involved in organizing the WORLD ENVIRONMENTAL DAY on 5th June 2021 on the premises. Dr.V KRISHAMURTHY Professor, TNAU delivered a lecture on “Eco system Restoration”. Dr. K Saranya Associate Professor and Coordinator proposed the vote of thanks. Around 100 Students have taken part in the program.

Independence Day 2021

The Independence Day of India, which is celebrated religiously throughout the country on the 15th of August every year, holds tremendous ground in the list of national days, since it reminds every Indian about the dawn of a new beginning, the beginning of an era of deliverance from the clutches of British colonialism of more than 200 years. It was on 15th August 1947 that India was declared independent from British colonialism, and the reins of control were handed over to the leaders of the Country. India's gaining of independence was a trust with destiny, as the struggle for freedom was a long and tiresome one, witnessing the sacrifices of many freedom fighters, who laid down their lives on the line.

To show integrity and patriotism the Adhiyamaan College of Engineering is celebrating Independence Day. On 15th August 2021, Dr. G. Ranganath, Principal of Adhiyamaan College of Engineering hoisted the Indian Flag on Independence Day followed by the National Anthem. He also addressed the gathering about the history and importance of the day. He also presented the winners of various competitions held for different activities with medals and certificates.

Aviation Day 2021

National Aviation Day (August 19) is a United States national observation that celebrates the development of aviation.

The holiday was established in 1939 by Franklin Delano Roosevelt, who issued a presidential proclamation that designated the anniversary of Orville Wright's birthday to be National Aviation Day (Mr. Wright, born in 1871, was still alive when the proclamation was first issued and would live another nine years). The proclamation was codified, and it allows the sitting US President to proclaim August 19 as National Aviation Day each year, if desired. Their proclamation may direct all federal buildings and installations to fly the US flag on that day and may encourage citizens to observe the day with activities that promote interest in aviation. The Department of Aeronautical Engineering of Adhiyamaan College of Engineering is celebrated every year. This year AVIATION DAY 19TH August 2021 in the premises. The department is established an "AVIATION CLUB" to provide more knowledge in the field of Aeronautical and Aerospace Engineering. Mr. R. Tamilarasu, DGM Aerotics Bangalore delivered the Lecture on the importance of Unmanned Aerial Vehicles and hands on training on Drone Manufacturing "to the students.

Teachers' Day 2021

There is no doubt that being a teacher is a noble profession that deserves an equal amount of love and respect as any other profession. Teachers' Day 2021 in India is celebrated every year on September 5 to mark the birth anniversary of Dr. Sarvepalli Radhakrishnan. He was a former President of India, scholar, philosopher, and Bharat Ratna recipient. On Teachers' Day 2021, students all over the country pay respect and tribute to their teachers. In some schools, special programs are also organized to celebrate Teachers' Day on September 5. Teachers' Day 2021 is a reminder of the role that teachers play in nation-building by guiding and educating the brightest minds of our country.

The entire Premises Faculty Members and students actively celebrated Teachers Day on 5th September 2021 by greeting each other. Students showed their respect to the faculty members and many activities and technical quizzes were organized.

Energy Conservation Day 2021

National Energy Conservation Day 2021: It is celebrated on 14th December annually. The Bureau of Energy Efficiency (BEE) of India implemented the Energy Conservation Act in 2001. The Ministry of Power is celebrating Energy Conservation Week from 8th to 14th December 2021 under Azadi Ka Amrit Mahotsav. Several activities have been undertaken by Power CPSUs as part of the celebrations. Energy Efficiency Bureau (BEE) is a constitutional body that works under the Government of India and helps in the development of policies and strategies to reduce the use of energy. The objective of the Energy Conservation Act in India is to appoint professional, qualified, and energetic managers and auditors who have expertise in policy-making, financial management, and implementation of energy-related projects. The Department of Electrical Engineering, Adhiyamaan College of Engineering celebrated on 14th December 2021. The Institution of Engineers (India) State Council Member and Chairman-CATE Dr. G. Ranganath Principal graced the occasion and distributed the prizes and certificates to the winners of the events conducted on the part of the Celebration of Energy Conservation Day.

Parakram Divas: Netaji Subhas Chandra Bose Birthday 2022

The Indian Government has decided to celebrate January 23rd as 'Parakram Diwas' to commemorate the birth anniversary of Netaji Subhas Chandra Bose. The year 2022 is the 121st birth anniversary of Netaji Subhas Chandra Bose. Netaji was born on January 23, 1897. The day is celebrated to honor and remember Netaji's indomitable spirit and selfless service to the nation. Our Principal Dr. G. Ranganath has shared details about Netaji Subhas Chandra Bose. Dr. G. Ranganath addressed in his keynote address after the floral tributes to the great leader, highlighted About Netaji Subhas Chandra Bose: Netaji was born on January 23, 1897, in Cuttack Odisha. He acquired a degree in philosophy and was later selected for the Indian Civil Services but refused to join as he did not want to serve the British Government. Netaji joined the Indian National Congress in 1921 and Netaji started a newspaper called "Swaraj". With the slogan "Give me blood and I will give you freedom", he awakened the country towards fighting for Indian Independence. He had written a book called "The Indian Struggle". The book covers the Indian Independence movement between 1920 and 1942. Netaji built a force known as the Azad Hind Fauj (Indian National Army) giving the slogan of "Dilli Chalo". Thousands of soldiers of his 60,000-strong army sacrificed their lives for the country. The Indian National Army supported the Japanese army in their invasion of Northeast India. They together took control of the Andaman and Nicobar Islands.

Netaji in the Indian independence struggle: Netaji was prisoned in 1925 for his National activities and was later released in 1927. After his release, he became the General Secretary of the Indian National Congress. He formed the All-India Forward Bloc as a part of the Indian National Congress in 1939. During the Second World War, Netaji protested against British Raj for not consulting the Indians before pulling them into the war. He was arrested for his protests. Later he was released and was kept under surveillance. In 1941, Bose escaped to Germany via Afghanistan and the Soviet Union. In Germany, Netaji met German leaders and other Indian students, and European political leader

Science Day Celebration 2022

On the occasion of National Science Day, we at Adhiyamaan College of Engineering, Hosur conducted Science day celebrations in our college as Science week from 22nd to 28th February 2022. We have conducted week-long activities which included competitions like Essay writing, elocution, quiz, spot painting, Power Point presentation, and science projects exhibition for all department students. Special talks were arranged. Nearly 100 Students from various departments are active in the events with great enthusiasm. Science day celebrations started with the inaugural session on 22nd Feb 2022 with the lighting of the lamp and paying homage to Sir C. V. Raman. 250 students and faculties from various departments attended the gathering. The Institute Principal Dr. G. Ranganath presided over the session and gave a brief introduction about the significance of celebrating National Science Day on 28th February and the importance of 'women in science' as this year's focal theme. He also explained the research opportunities for women in science. Women science faculty of our colleagues involved in research activities gave special talks and encouraged students to take up careers in scientific research.

IEI chapter member Ms. Aiswarya.S, a Department of Aeronautical Engineering student in her Final year announced the schedule of the events for science week to be conducted from the 22nd to 28th of February 2022.

International Women's Day 2022

International Women's Day (IWD) is a global day celebrated annually on March 8 to commemorate the cultural, political, and socio-economic achievements of women. It is also a focal point in the women's rights movement, bringing attention to issues such as gender equality, reproductive rights, and violence and abuse against women. International Women's Day is commemorated in a variety of ways worldwide; it is a public day in major several countries and is observed socially or locally in others to celebrate and promote the achievements of women. The UN observes the in connection with a particular issue, campaign, or theme in women's rights. In some parts of the world, IWD still reflects its political origins, being marked by protests and calls for radical change; in other areas, particularly in the West, it is largely socio-cultural and centered on a celebration of womanhood. At Adhiyamaan College of Engineering, a separate Women Empowerment Cell is established and organizes a "Women's Day Celebration" on March 8th Every Year. The Women Empowerment Cell of Adhiyamaan College of Engineering celebrated International Women's Day 2022 on 8th March 2022 on the premises. Many events including technical paper presentations, Technical quizzes, and various fun games were organized. Dr.G. Ranganath Principal presided over the event. Dr. Prameela Kaladharan Welcomed the gathering. Mrs. Chandrika K addressed the students that Girls students should take an active role to uplift Women's issues in society So that Problems faced by women will be reduced drastically. Technical Paper Presentation was organized related to the Women's issues faced in the Workplace. Dr. T Menakadevi WEC proposed the vote of thanks. Around 300 students and 50 Women Faculty Members have taken part in the event

World Telecommunication Day 2022

World Telecommunication Day has been celebrated annually on 17th May since 1969, marking the founding of ITU and the signing of the first International Telegraph Convention in 1865. The Institution of Electronics Telecommunication Engineering (IETE) Students forum of Adhiyamaan College of Engineering celebrated World Telecommunication day on 17th May 2022. Various events related to the topic of telecommunication were conducted for the students of every field to help them enhance their knowledge and to boost their skills in various fields.

In November 2005, the World Summit on the Information Society called upon the UN General Assembly to declare 17th May as World Information Society Day and World Telecommunication Day to focus on the importance of Information and Communication Technology (ICT) and the wide range of issues related to the Information Society raised by World Summit on the Information Society (WSIS). The General Assembly adopted a resolution (A/RES/60/252) in March 2006 stipulating that World Information Society Day shall be celebrated every year on 17th May. The Institution of Electronics and Telecommunication Engineers (IETE) Forum of Adhiyamaan College of Engineering has celebrated the theme of “Digital technologies for older persons and healthy aging”. Technical programs including Essay Writing, Quiz, and Paper presentations were organized and the winners were honored with prizes and Certificates. Dr. T. Menakadevi Coordinator-IFS IETE organized the event.
