GREEN POLICY

A green campus is a place where environment friendly practices and education combine to promote sustainable development. The green campus concept offers an institution, the opportunity to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs of mankind.

Adhiyamaan College of Engineering (ACE) recognizes for pursuing its strategic objectives, in relation to research and teaching. ACE demonstrates higher sensitivity and responsibility in implementing green concepts in the campus. Spreading awareness on the green practice among students and maintenance of green campus is the priority. The college fairly manages the natural resources and provide eco-friendly environment.

ACE is striving to develop on a self –sustainable basis in the areas of power, water and cleanliness. Therefore, this policy represents an important component of the college's broader sustainability strategy. This document makes out the college's aims and objectives for safeguarding the environment, the details of the organization and arrangements for implementing and monitoring them in accordance with National Environment Policy 2006.

The main objectives of the Green Policy Guidelines are:

1. Make the campus as well as the activities in college environmentally sustainable.
2. Be eco-friendly and safe while not compromising on the essence and experience of student and academic life.
3. Create green ambience and inculcate a more aware and sustainable attitude among the students.
4. Introduce a uniform waste management system which incorporates:
 - a. To plan and reduce the amount of waste generated.
 - b. To plan and reduce generating waste that reaches the landfills.
5. To make the energy consumption of college more efficient.
6. To ensure the hygiene and sanitation in campus.
7. To reduce the consumption of water, strategies like water treatment plants and rain water harvesting are installed in the campus.

The scope of these objectives extends to all festivals, events and conferences as well.
