Programme Assessment Committee

There is a felt-need to improve the teaching-learning process, employability and professional competency of the students. In order to achieve this, it has been decided to constitute a committee consisting of Program Coordinator and other senior faculty members. The management of the institution has also reiterated this view. Accordingly, a committee called 'Programme Assessment Committee' has been constituted

Programme Assessment Committee will be headed by Program Coordinator and include senior faculty members and course coordinators of the department. The responsibilities are as follows:

- Communicating and keeping in constant touch with the stakeholders
- Planning of curricular and co-curricular activities in accordance with PEOs
- Implementation and monitoring the programme activities for attainment of PEOs and POs
- Carry out periodic assessment of PEOs through faculty
